SUMMARY

Highly motivated fresher with an eagerness to learn and develop new skills. Possess excellent communication and interpersonal skills with the ability to work both independently and in a team. Seeking a role to utilize my existing knowledge and develop new skills to contribute to the success of the organization.

PROJECTS

Online Water Supply

- The main objective of “online water service” is used to allow the user to get the services of water by booking the service simply in a simply and flexible web site.
- Leveraged existing user data to create predictive algorithms, leading to a 17% increase in customer satisfaction. Automated processes for booking, scheduling deliveries, billing, and tracking customer orders.

Portfolio

- My personal portfolio is a collection of my work, showcasing my skills and accomplishments.
- It's a place where you can explore what I've done and get to know me better through my projects
